NEW A Day in the Life of a Fly on the Wall – being the best person you can be

This new book is my entry into the realm of spiritual writing.

- introduces the godly source of readily available spiritual knowledge, understanding and comfort that I have enjoyed through almost sixty years of adulthood.

This new book will:

1. inspire greater interest in, and acceptance of, human nature, human behaviours and the human experience,
2. encourage acceptance of the value of each individual's mind, background, aspirations, reservations, limitations and strengths,
3. share my spiritual journey, which continues to be my strength and joy in every aspect of my life,
4. Introduce this freely available godly source – all-knowing and all-loving; communicating by insightful thought transference; with a deep understanding of human nature and objective observation; and available to explore, understand, interpret each experience,
5. share this enable you to always, with a heart full of love, empower the individuals and groups with whom you mix and move.

This Book presents 13 Lessons to become the best person you could possibly be. I have enjoyed a personal connection with a personal god since 1959, and am keen to inspire a greater interest in this readily available spiritual guidance – the “*Inner Voice and Presence of a personal god*”.

My writing falls within these four categories

1. Nonprofit Governance and Management
2. Small Business Start-ups and Survival
3. Organisational effectiveness
4. Empowerment and Entrepreneurship

e-mailing list for Jean Roberts Update

My first free *Jean Roberts Update* began in 1998, circulated to a mailing list comprised of past and present clients, contacts and 'persons of influence'. It started life as ten pages of information, articles, news and ideas printed on five sheets of paper – able to be posted at the normal rate. Eventually, it moved from postage to email, but always available as a hand-out and always free.

My logo was the coffee cup below – with the invitation to recipients to read it '*whilst enjoying a cup of coffee or tea or a glass of their favourite red wine*'. And many told me they did just that!

I'll have more news of my writing, together with dates for releases through Print on Demand in my next Update.

My contacts details are in the Footer.

Please feel welcome to phone or email me with your thoughts.
